DIARY NOTES

25X1A

DD/S

14 July 1959

1. I reported to [REDACTED] that Matt Baird had been in contact with Mr. Sloan, Head of the FBI Academy, and that it appeared that the type of training which Mr. Sloan had in mind when he talked to the Director would be for our Security people who protect the Director, etc. I told Jack that I would have a further report to make on this at some later date.

2. Bob Macy, Bureau of the Budget, telephoned to say that he had discussed our "early retirement" meeting of yesterday with one or two others who were present and wanted to pass on their reactions. It adds up to a "cold bucket of water." (See Memorandum For the Record dated 20 July 1959.)

3. Jim Garrison and [REDACTED] were up to give me a briefing on the Real Estate and Construction Division and the substantial projects that we have under way.

4. I approved of Dr. Tietjen going on leave for two weeks effective 17 July.

Dr. Tietjen
I asked ~~him~~ to give me his comments on the Inspector General's Report of the Assessment and Evaluation Staff insofar as they were applicable to the Psychiatric Division prior to his departure.
